PROVEN PROCESS
1
INITIAL CALL
Begin the conversation about home care.
We are a community resource, always ready to take your call; available 24 hours a day, seven days a week.
2
FREE IN-HOME CONSULTATION
We review your or your loved ones expectations, needs and preferences to develop a personalized care plan.
We provide care for a few hours a day up to 24/7 care.
3
EXPERIENCED ANGELS
We run comprehensive background screenings on every caregiver, including state and federal searches.
We match the client with a trusted angel to meet the client's individual care needs.
We provide programs for caregiver training and mentorship.
4
CARE COORDINATION
A designated client care manager is assigned to address the expectations, personal needs, desired schedule and confirm the start of care date.
5
BUILDING TRUST
Client satisfaction is our number one priority.
We provide check-in calls and in-home visits to evaluate the plan of care, verify satisfaction and make adjustments as needed.
6
AGE IN PLACE
Our services promote dignity and independence, empowering clients to live in their home with assistance, maintaining their daily routine.
As needs evolve, we are prepared to offer solutions to bring you and your loved one peace of mind.
