A WINNER OF THE OREGON AND SOUTHWESTERN WASHINGTON TOP
WORKPLACES 2022 AWARD**

Gresham, Oregon, September 25, 2022 - Visiting Angels-Gresham has been awarded a Top Workplaces 2022 honor, being recognized as the #1 Small Business Employer by Oregonian Top Workplaces. The list is based solely on [employee feedback](#) gathered through a third-party survey administered by employee engagement technology partner [Energage](#) LLC. The confidential survey uniquely measures 15 culture drivers that are critical to the success of any organization: including alignment, execution, and connection, just to name a few.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”

Visiting Angels of Gresham seeks to honor and care for our employees in the same way we expect them to honor and care for our clients. We are excited that our employees have recognized our positive culture by ranking us the number one small business employer in Oregon and Southwest Washington.
