Rights and Responsibilities

- I understand that I must help establish my eligibility by providing as much of the requested information as I can about my circumstances.
- I authorize the Department of Human Services to make any investigation concerning me and/or my spouse necessary to establish my eligibility for assistance.
- I understand that no person may be denied long-term services and supports assistance or other Medicaid assistance on the grounds of race, color, sex, national origin or disability.
- I understand that I may request a hearing before the state agency representative if a decision is not reached on my case within the appropriate time limit or if I disagree with the decision reached.
- I agree to notify the Department of Human Services within 10 days if I or my spouse receives additional income, acquire, or dispose of property or if any other changes occur in my circumstances.
- I authorize the Department of Human Services to examine all records of mine, or records of those receiving or having received Medicaid benefits through me, for the purpose of investigating whether or not any person may have committed Medicaid fraud or for use in any legal, administrative, or judicial proceeding.
- **ASSIGNMENT OF MEDICAL SUPPORT.** I authorize any holder of medical or other information about me to release information needed for a Medicaid claim to DHS. I further authorize release of any information to other parties who may be liable for my medical expenses. As an eligibility condition, I automatically assign my right to any settlement, judgment, or award which may be obtained against any third party to DHS to the full extent of any amount which is paid by DHS on my behalf. I authorize and request that funds, settlements, or other payments made by or on behalf of third parties, including tortfeasors or insurers arising out of a Medicaid claim, be paid directly to DHS. My application for Medicaid benefits shall in itself constitute an assignment by operation of law and shall be considered a statutory lien of any settlement, judgment, or award received by me from a third party. A third party is any person, entity, institution, organization, or other source which may be liable for injury, disease, disability, or death sustained by me or others named herein, including estates of said individuals. I also assign all rights in any settlement made by me or on my behalf arising out of any claim to the extent of medical expenses paid by DHS, whether or not a portion of such settlement is designated for medical expenses. Any such funds received by me shall be paid to DHS. A copy of this authorization may be used in place of the original.

- I understand the requirement to disclose in my application for long-term services and supports information regarding any interest that I or my spouse may have in an annuity.
- I understand the requirement to name the state as a remainder beneficiary in which I or my spouse is the annuitant.
- If you have questions or problems regarding your application or care, please call your State Long-Term Care Ombudsman at 501-682-8952.

The **PRIVACY ACT of 1974** requires the Department of Human Services (DHS) to tell you: (1) Whether disclosure is voluntary or mandatory; (2) how DHS will use your SSN; and (3) the law or regulation that allows DHS to ask you for the SSN. We are authorized to collect from your household certain information including the social security number (SSN) of each eligible household member. For the Medicaid Program, this authority is granted under Federal laws codified at 42 U.S.C. §§ 1320b-7(a) (1) and 1320b-7(b) (2). This information may be verified through computer matching programs. We will use this information to determine Program eligibility, to monitor compliance with program rules, and for program management. This information may be disclosed to other Federal and State agencies and to law enforcement officials. If a claim arises against your household, the information on this application, including all SSNs, may be provided to Federal or State officials or to private agencies for collection purposes.

EXCEPTION: In the Medicaid Program, information is disclosed without the individual’s written consent only to: authorized employees of this Agency, the Social Security Administration, the U.S. Department of Health and Human Services, the individual’s attorney, legal guardian, or someone with power of attorney; or an individual who the recipient has asked to serve as his representative **AND** who has supplied confidential information for the case record which helped to establish eligibility, or court of law when the case record is subpoenaed.

IMPORTANT ESTATE RECOVERY NOTICE

If you receive Medicaid in a nursing facility, ICF/IID facility, or under a home and community-based waiver program, the total amount of the Medicaid benefits paid on your behalf will be a debt to DHS and may be recovered from your estate or from the grantee of a beneficiary deed after your death. Your estate is the property you own at the time of your death. DHS will not make a claim against your estate while you are living. DHS will not make a claim against your estate after your death if your spouse is still living or if you have dependent children under age 21 or blind or children with disabilities. DHS will collect the debt, if any, by filing a claim in your estate. Collection may not be made if it is not cost effective to DHS or if your heirs apply and are granted a hardship waiver after your death. A hardship may exist if the estate property is the only source of income for your heirs if that income is limited or if there are other compelling circumstances. **(See PUB-428 at <http://hs.ar.gov/daas/Pages/LTSS.aspx> for more information.)**

CERTIFICATION: I have read the above statements, and I agree to their provisions.

- **FOR LONG-TERM CARE FACILITY RECIPIENTS/APPLICANTS ONLY:** After reviewing the alternatives to nursing facility placement available through the Department of Human Services, I understand that I am choosing to be served in a nursing facility.
- **I understand that if I am admitted to a nursing facility based on conditional Medicaid approval, and my Medicaid case is denied, I or my family will be responsible for any indebtedness while in the nursing facility.**
- I understand that this form is signed subject to penalties for perjury. I understand that if I receive assistance to which I am not entitled as a result of withholding information or providing inaccurate information, such assistance will be subject to recovery by the Department of Human Services, and I may be subject to prosecution for fraud and fined and/or imprisoned.
