

DEMENTIA CARE WITHOUT THE FIGHT

With International Dementia Expert and Educator **Teepa Snow**

JOIN US to Navigate Challenging Situations More Successfully

Learn new tools and effective strategies that will help you with everyday life.

Teepa will address and role play the everyday situations that can challenge our routines and patience as we care for someone living with Dementia.

You'll Learn How to Address these Challenges:

- "I want to go home."
- Inaccurate Perceptions and Hallucinations
- Distressed Behaviors and Insecurities
