

FREE MEMORY SCREENINGS

By Appointment

701 W. Southern Ave, Suite 105

Mesa, AZ 85210

Call 480-833-8247 to schedule

Ask for Elaine

We have been doing the screenings for over 14 years for the Alzheimer's Foundation of America, for the annual National Memory Screening Day in November and for a few days in the spring. We will always make appointments as needed throughout the year by individual request.

We encourage members of the community to be proactive about memory health by taking advantage of free, confidential memory screenings and information about successful aging. Qualified professionals will administer the screenings, which take five to ten minutes.

Screening results are not a diagnosis, and individuals with below-normal scores or who have concerns are encouraged to pursue a full medical exam.

Call Lauren B at 480-833-8247 to schedule a time, or [email: recep@visitingangelsaz.com](mailto:recep@visitingangelsaz.com)
