Connect With Loved Ones
and Memories

STEP 1: EXPLORE MEANINGFUL TOPICS

Help the Care Team Make Connections

Use the Care Team Connect App to share meaningful photos, conversation topics, and music preferences.

STEP 2: PERSONALIZE A TABLET

An in-home tablet for engagement

A customized tablet will be stationed in the home for caregiver engagement activities.

STEP 3: WORK AS A TEAM

Follow Updates, Expand the Team

View real-time updates from caregivers and invite other loved ones to get involved.
