Visiting Angels Pueblo gets involved in the community. We helped Habitat for Humanity with their coffee for a cause. Volunteers are always needed

**Volunteers Needed**

Pueblo's Habitat for Humanity  
(719) 543-0702

Here at Visiting Angels Pueblo, every member of the Visiting Angels family has made it their mission to put seniors first, prioritizing the safety, security, and personal well-being of each and every client in our care. When it comes to finding elder care assistance trust is imperative.

That is why we are So **THRILLED** to be honored with so many awards- We have won **Best of Pueblo in 2020**, **The Best of Home Care Provider**, **The Best of Home Care Employer**, and **The Best of Home Care Leader**.

We are bonded, licensed, and insured, rated A+ by the Better Business Bureau and are designated an Age friendly business.

Thank you for your confidence in our Agency

Speaking about our awards, we would have **NEVER** received them if we didn't have such an **AMAZING** caregiver **TEAM!** A big celebration on February 19<sup>th</sup> -**National Caregiver's Day**. A **BIG THANK YOU** to our wonderful caregivers, we call them ANGELS, because they are.

## Happy Valentine's Day

Things to do this Valentine's Day include: Go to brunch (or make one at home), go on a hike, exchange love letters, have a game night, make some crafts, cook together (make the cheesecake above), take a relaxing bath, have an indoor picnic, take a virtual dance class, head outdoors and stare at the stars, paint a picture together, sing karaoke with family or friends, or listen to your favorite songs and discuss what you were doing when you first heard it.

Remember **Valentine's Day** does not mean just a dinner and a bouquet of flowers, it means being with those you **LOVE**.
