New Year's Food Meanings

Pork-

Pork, once reserved for the elite, symbolizes wealth and prosperity

Greens-

The color green means luck...four-leaf clovers, money and jade jewelry. Eating greens should bring good luck..plus they are healthy

Lentils-

In Italy Lentils, are thought to resemble coins, if eaten on New Year's Day they bring good fortune

Noodles-

Asian countries eat noodles to lengthen life. You can't break the noodle from your plate to your mouth.

Black Eyed Peas-

Good luck food in the South. Thought to bring luck especially if served on a bed of collard greens

Fish-

People associate fish with the new year, since fish swim in one direction

Cabbage-

In Germany, Ireland, and parts of the US, cabbage is associated with luck and fortune. It's green hue resembles money. Purple cabbage is just as versatile.

Pomegranate-

Associated with abundance and fertility in Mediterranean countries. They bring good luck
