A Note from Jenny and Brian (owners of Visiting Angels Pueblo)

Dear Caregiver's,

Thank you! All of you are doing an **amazing** job! You all work long hours, in a physically demanding job, providing care for others while away from your own families. All of you deserve thanks for the work that you do. As a caregiver, you put your own life on pause while you manage the daily activities of those in your care. What you do matters more than you realize. Please know that what you do, does not go unnoticed.

We are truly grateful for all that you do!
